Day 2: 8:00 AM – 3:00 PM U.S. Central

DAY 1 CONFERENCE SESSION DESCRIPTIONS

Opening Remarks

Brian Schaneberg, Executive Director, Institute for Food Safety and Health (IFSH)

FSPCA Operational Highlights

Jason Wan, Associate Director, Institute for Food Safety and Health (IFSH), Director, FSPCA

FDA Update: The Past, Present and Future of FSMA Implementation

Glenn Bass, Deputy, Human and Animal Food Operations-West, Office of Regulatory Affairs (ORA), U.S. Food and Drug Administration (FDA)

It has been over 10 years since the passage of the 2011 Food Safety Modernization Act (FSMA). Glenn Bass will provide a summary of the lessons learned and milestones achieved. He will share how the agency prepares to modernize inspections and enhance regulatory activities across a diverse food system to protect consumers and prevent foodborne illnesses, particularly among vulnerable populations.

Breakout Sessions: Ask an Expert

Human Food Expert

Glenn Bass, Deputy, Human and Animal Food Operations-West, Office of Regulatory Affairs (ORA), U.S. Food and Drug Administration (FDA)

Animal Food Experts

David Fairfield, Senior Vice President, Feed Services, National Grain and Feed Association (NGFA)

Dianne Milazzo, Consumer Safety Officer, Center for Veterinary Medicine (CVM), U.S. Food & Drug Administration (FDA)

Have a burning FSMA question? This is your chance to get answers to your questions, and learn from questions that others ask. No presentations – just an open question and answer forum.

FDA FSVP Update

Lorie S. Hannappel, Consumer Safety Officer, Office of Import Operations, Office of Regulatory Affairs (ORA), U.S. Food and Drug Administration (FDA)

FSVP...where are we now? Take an FSVP journey from where we have come through where we are now, and a glimpse into where we are heading.

HACCP and Preventive Controls

Martin Bucknavage, Senior Food Safety Extension Associate, Penn State Department of Food Science

Tania Martinez, President, Demos Global Group, Inc.

Food facilities required to register by FDA are subject to Preventive Controls for Human Food regulation, but for many domestic and international companies, they must also operate under HACCP. In this session, the challenges of operating under two systems in terms of training, compliance and implementation will be discussed.

Day 2: 8:00 AM – 3:00 PM U.S. Central

DAY 2 CONFERENCE SESSION DESCRIPTIONS

FSPCA Executive Advisory Board Update

Kathy Gombas, Food Safety Consultant, FSMA Solutions

The mission of the FSPCA Executive Advisory Board (EAB) is to assist with improving the performance, image, and reputation of FSPCA by providing professional and strategic advice regarding FSPCA offerings and services to the industry and food safety community. Join FSPCA EAB Chair, Kathy Gombas, for this session to learn more about FSPCA's mission, vision, and strategic plan for the future.

HF V2.0 Curriculum Rollout

Gerald Wojtala, Executive Director, International Food Protection Training Institute (IFPTI)

The update of the FSPCA Human Food curriculum has been a major new undertaking for the Alliance. During this session, you will learn from the main editors about the changes and improvements to the course, how Lead Instructors can attend training on the new materials, and about FSPCA processes that are impacted by Version 2.0 of the curriculum.

FDA Guidance

Kevin Kwon, Regulatory Counsel, Office of Compliance, Center for Food Safety and Applied Nutrition (CFSAN), U.S. Food and Drug Administration (FDA)

Lillian Hsu, Policy Analyst, Office of Food Policy and Response (OFPR), U.S. Food and Drug Administration (FDA)

Join us for this very informative session as we hear from our FDA experts about the development and publication of FDA guidance documents intended to assist the food industry's understanding of the Preventive Controls for Human Food (PCHF) and Foreign Supplier Verification Programs (FSVP) regulations requirements. Kevin Kwon will provide an overview of the changes made to the FSVP final guidance document and Lillian Hsu will provide an update on the latest PCHF guidance chapters that have published as draft.

Breakout Sessions: Case Studies

FSVP Experts

Bob Bauer, President, Association of Food Industries (AFI)

Lorie S. Hannappel, Consumer Safety Officer, Office of Import Operations, Office of Regulatory Affairs (ORA), U.S. Food and Drug Administration (FDA)

HF Experts

Kathy Gombas, Food Safety Consultant, FSMA Solutions

Claudia Coles, President, Seafood Products Association (SPA)

Lillian Hsu, Policy Analyst, Office of Food Policy and Response (OFPR), U.S. Food and Drug Administration (FDA)

Knowing who is covered under the regulation is the first challenge, but there is no better teacher than real-world scenarios. Join the experts as they present Foreign Supplier Verification Program (FSVP) case study on who could be the FSVP importer, and Preventive Controls Rule for Human Food (PCHF) case studies on real-world scenarios. This is where regulations meet reality!
