COURSE DESCRIPTION

The FSPCA Preventive Controls for Human Food (PCHF) Version 2.0 Lead Instructor Refresher Training course was developed to provide an overview of the design and instructor materials of the FSPCA PCHF Version 2.0 standardized curriculum.

The Refresher Training course reviews the key updates to FSPCA PCHF Version 2.0 course content and provides guidance on how to use the Instructor Guide and instructor portal resources to support your Version 2.0 participant course delivery.

Successful completion of this Lead Instructor Refresher Training course is required for existing FSPCA PCHF Version 1.2 Lead Instructors to register and deliver the *FSPCA Preventive Controls for Human Food Version 2.0 participant course*.
